Fund Update 2

NorthRock Investments is pleased to announce the second update for our NorthRock Opportunity Fund - Arana Hills

01

Gym tenant design phase

Lot 1 Tenant moves to Design phase

The tenant for Lot 1, a global gym brand, has progressed to the second stage, design.

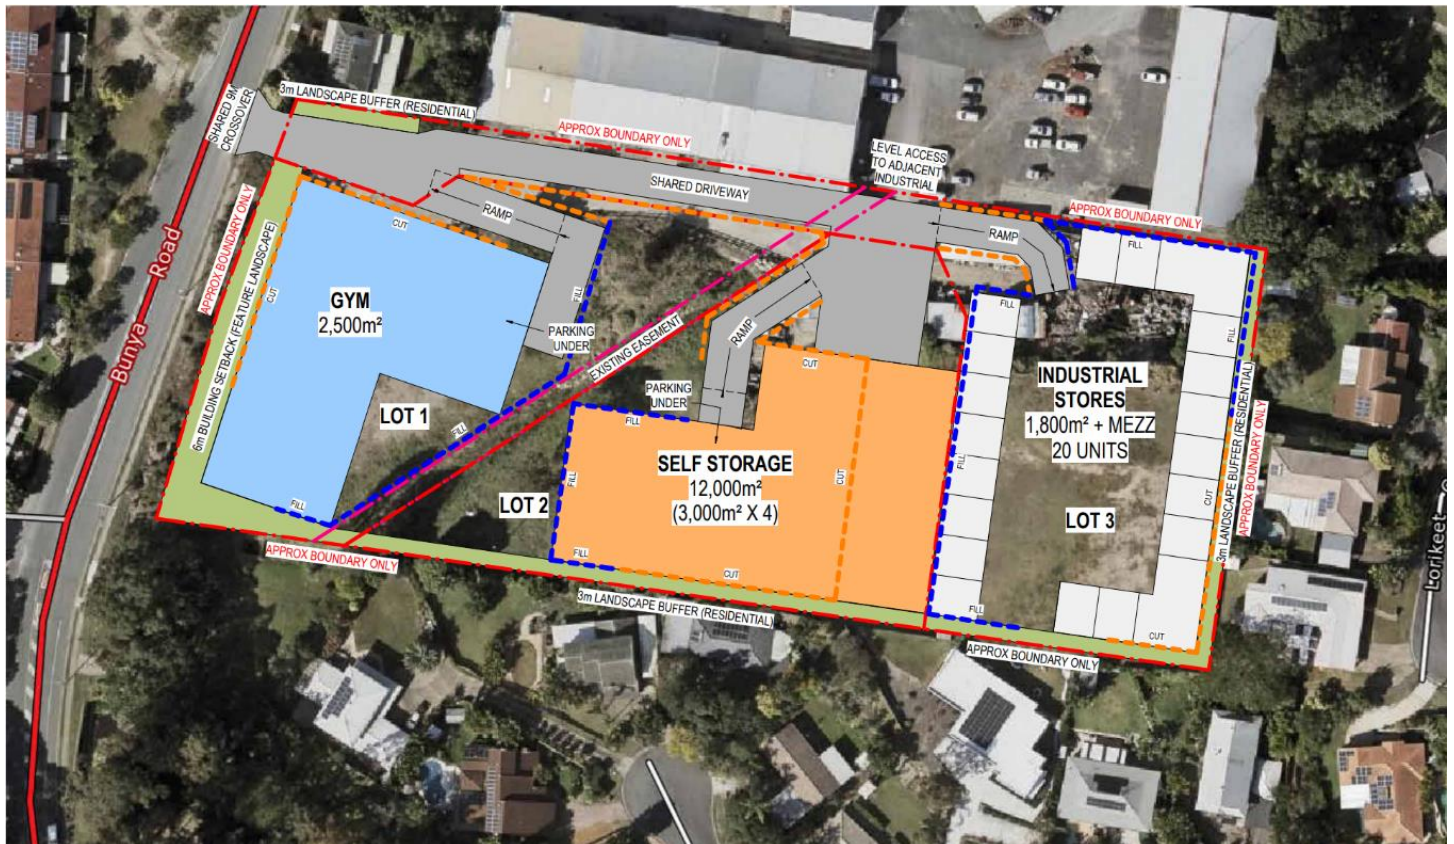

The design stage is one step closer to finalisation of the end lease and demonstrates the strength of commitment from the proposed tenant for the site.

02

Step before finalisation of lease

Please review the [video](#) as Michael Daley, Asset Manager, outlines the process thus far and what it means for the strength of the return for our investors.

FUND OVERVIEW

The Trustee is seeking to deliver Investors a pre-tax return of 15% per annum on their investment money for the term of the Fund, net of fees and costs but excluding tax, while preserving Investor capital.

INVESTMENT STRATEGY

The Trustee will use the equity raised under the Offer to lend to its related body corporate, the Borrower, for the purposes of:

- a) acquiring the Property and then developing the Project on the Property;
- b) to pay the costs of the Offer; and
- c) to pay management fees to the Trustee and the costs of operating the Fund.

PROJECT SUMMARY

The acquisition of the Property, the subdivision of the Property into three lots and the construction on those lots of:

- commercial gym and associated parking;
- self-storage complex; and
- a series of industrial units.

Development approval for the Project has been lodged but not yet council approved, and so ultimately the Project may differ.

HOW TO APPLY

Application for investment can be made on the application form contained in the Information Memorandum.

The Offer opened on 19 April 2024. Units will be issued progressively, usually within five business days of acceptance of applications.

To obtain an Information Memorandum please call 1300 667 789 or visit www.northrock.com.au
